Exchange Program with Al Ittihad School on 11th May

Al Ittihad School is a private school that implements an American curriculum. It also has a strong exchange program with Japan, with high school students having online exchange meetings with Japanese high schools. When the school was established, they adopted a parent cooperation system based on the PTA of Japanese schools. At the exchange meeting, drinks and snacks were provided. They were prepared by the president of the parents' association and several other parents. It was impressive to see the parents enjoying the activities.

As PTA activities are being re-evaluated in Japan these days, it is a proud moment for me to see schools abroad that recognize and incorporate the advantages and benefits of Japanese PTA activities.

This is the first exchange program in four years since the last one held in 2019. None of our teachers have experienced the previous one. We are working closely with Al Ittihad Schools to plan for a successful exchange program. We will invite Al Ittihad School to our school for the exchange program on 6th June. The students are working on various preparations for the exchange program.

Last school year, we have resumed our Sports Day, SHO-YO-SAI, Summer Festivals, and School Trips. We have now resumed our external exchange activities. Rather than reverting to the events that took place before the COVID-19 pandemic, we would like to make these school events meaningful and without strain, while reviewing the contents and the purpose of the activities with the children's studying as the top priority.

New teacher's introduction

Hello. I am Yukari SHIROTA, arrived in Abu Dhabi in late April. I'm from Hyogo, have lived in Hiroshima & Kanagawa, too. I'm good at Kanji. I passed the grade pre-1 of Kanken. I'm excited as this is my first visit to a middle east country. Let me know a lot about this country, city, culture & tradition, and yourself! I'm looking forward to learning and growing up with you at this school. Thank you.

Committee Meeting

All students gathered in the gymnasium during the weekly Wednesday exchange assembly, on 17th May. The four committee chairs introduced their committees and explained their main activities for this year. The committee chairs will lead the life of the students at our school.

Towards Exchange Activities with Al Ittihad School

The students are rehearsing and preparing for the event on Tuesday, 6th June, in order to share the Japanese culture with the Japanese spirit of hospitality. We are going to ask for the cooperation of the Japanese Tea Ceremony Club.
